Safety and style combine to create the **Complete Barrier Solutions** range of Glass Pool Fencing.

Glass Pool Fencing exceeds the Australian Standards for Swimming Pool Safety Fences and Gates both in design and construction. Truly a quality product you can trust and rely on.

Our Glass Pool Fencing is engineered to last. A choice of Stainless Steel components or the beautiful powder coated colours are oven baked onto the aluminium components to give a stone durable finish.

**Glass Pool Fencing allows maximum visibility..**

# Glass Pool Fencing

## Semi Frameless Glass Pool Fencing

Semi Frameless Glass Pool Fencing is the most cost effective glass pool fence. Utilizing the unique “Glazing Posts System”, the glass is side fixed and secured with glazing wedge rubber. You have the choice of using stainless steel or powder coated aluminium posts which can be fixed directly to a concrete or timber surface used in conjunction with powder coated aluminium fencing, you can create a million dollar look within a modest budget.

## Frameless Glass Pool Fencing

Frameless Glass Pool Fencing is a high quality, superbly engineered postless Glass Pool Fencing System. Glass can be installed using Stainless Steel or Powder Coated Aluminium spigots into concrete, hardwood or structural steel and in most cases without disrupting existing finishes. This design allows you maximum visibility making your pool area look simply stunning.
